SUPER AQUA KIDS: (Ages 18 months-7) This method is the quickest way to get your child comfortable in the water and swimming. It uses a series of smaller and smaller floats to teach your child to swim.

BEGINNERS: Students must be able to float unassisted and swim underwater or dog paddle. The primary concentration at this level is to prepare the student for stroke development. Skills Include: Flutter kick on front & back, finning on back, back crawl and personal safety skills are emphasized.

ADVANCED BEGINNING: Students must be able to swim the short length of the pool and swim under water unassisted, and be working on the crawl stroke.

INTERMEDIATE: This class is designed for those who have been introduced to both front and back crawl and can demonstrate them with proficiency. Skills Include: Stroke development and refinement of front crawl and back crawl, introduction to side stroke, breast stroke and elementary back stroke are emphasized.

Classes may be cancelled or combined due to enrollment.

PRIVATE INSTRUCTION: CALL OUR OFFICE TO SCHEDULE: FEE: \$40/30 MINUTES FOR 1 STUDENT, \$65 FOR 2 STUDENTS. Space is limited.
